

Welcome to The Dinner Theatre Company's production of...

MURDER MYSTERY DINNER THEATRE

This is the most elaborately staged Murder Mystery Dinner Theatre experience available in New Zealand (some say the world, but they had been drinking). The night takes place in a multi million dollar setting featuring an incredible 1km long Haunted Tram ride.

SETTING THE SCENE...

Travel back to 1950's Hollywood (dress up is encouraged as it adds to the experience) to the film set for the up coming feature film 'The Scarlett Harlett'. After years of planning and pre production the film is finally being shot on location at Ferrymead Heritage Park. Everything wasn't all plain sailing and only days into the shoot the films alcoholic, womanising poker addicted Director 'Stan Stalkenstein' has been murdered! The police have not yet been able to get to the bottom of this dastardly deed and only you and your wits can solve the crime.

HOW TO PLAY...

*You will be guided through the entire evening by our professional cast and crew (you do not need to be an actual detective to solve this crime).

*Hawaiian Mikes Margarita Bar opens at 6pm for pre drinks and all guests need to be at the restaurant by 6.30pm.

*7pm all teams will be briefed and given an orientation by Detective Hiratio Shitenhausen as to how the evening will pan out.

*7.20pm sharp the Haunted Tram leaves the restaurant to make its way around the park (those with a heart condition or no spine should make themselves known to the cast as you may need to sit this one out).

*7.40pm those guests that haven't died from heart failure arrive back at the restaurant to begin dining.

*From this point on you will be guided and misled by our hilarious cast and crew until around 10.30pm when all case files will be exhibited. The winning case file will be revealed as we find out the who, how, where, when and why Stan Stalkenstein was murdered. But remember, the killer is amongst you as you dine!
